### **GEROLEMO SMILEFTIS XYNISTERI WILD FERMENT 2022**

€14.00

Gerolemo Xynisteri wild fermented is an authentic wine born from a 35 year old singular vineyard, having a crystal clear lemon colour on the appearance, citrus and white flowers on the nose. On the palate projects some peach, almonds and minerals from the limestone soil. It has the body, the acidity, and the residual sugar that makes it excellent for pairing in gastronomy.
